

HOKKAIDO UNIVERSITY

# GiFT 2014

Global Issues Forum for Tomorrow

 Sustainability Weeks 2014

**Saturday, Nov. 8**

**20:00 - 21:45** GMT+9

## Live Webcast

**There is a gift for you!**

### HOKKAIDO UNIVERSITY EXPERIENCE TOUR

will be awarded to some students and teachers who contribute to the GiFT during the live webcast with hot comments via Facebook.

#### Feel the Passion

Listen to a series of short presentations and get passionate about topical research explorations.

#### Communicate over FB

Take the opportunity to communicate with students and researchers around the world who are interested in the resolution of global issues.

#### Experience HU

GiFT offers you the unique opportunity to experience a wealth of Hokkaido University's resources.

GiFT delivers 15-minute presentations via internet, which are given by Hokkaido University's distinguished researchers who are tackling various issues to realize a sustainable society. The presenters call on young students worldwide to join them in efforts to address important global challenges.
