Participation at UN-WCDRR 2015

Sendai, Japan, 14-18 March 2015

Presentation of Unsyiah's Rector

**WORLD CONFERENCE ON DISASTER RISK REDUCTION PUBLIC FORUM
DISASTER-STROCKEN UNIVERSITIES SYMPOSIUM**

A participatory approach is indispensable for the realization of a resilient and comfortable basis of human living and sustainable society. For the purpose of well-prepared disaster management, lessons should be learned from the endeavors of post-disaster reconstructions in search for better frameworks for the incorporation of true voices of disaster-affected people and communities.

**About Trans Studio Theme Park
Bandung's very own Theme Park
From TV to Reality**

TRANS STUDIO THEME PARK, Trans Studio Bandung is the second indoor theme park in Indonesia after Malacca. Trans Studio Bandung is much more spectacular and exciting than Trans Studio Malacca, but both have their own uniqueness that makes Trans Studio Bandung not only the biggest in Indonesia but also one of the biggest in the world.

TRANS STUDIO THEME PARK provides 20 rides and a variety of shows, divided into 3 different and unique zones. Visitors will feel the experience of becoming a star in front of the camera and the men behind the scenes of the favorite TV programs in TRANS TV and TRANS 7, such as 'Doris Lani', 'Selajeh', 'Si Bolang' and many more.

About Trans Studio Theme Park

Welcome to the world full of magic, specially created for you. Brings your dream comes to life. Meet your favorite characters and enjoy the 20 exciting and thrilling rides and entertainment with the famous Broadway style.

Seoul Tower from the Itaewon Pedestrian... by nickinosaka

OUR EXPECTATIONS:

- Increasing and strengthening capacity of WG members in disaster related education and research
- More partnerships and academic collaborations in Disaster Management among WG members.
 - Joint research and publications
 - Joint/double degree
 - Staff and student exchanges

Thank you
