Hult Prize @ Hokkaido University

12/12 (sat) 9:00-15:00 at FMI(Center for Food & Medical Innovation)

What is “Hult Prize”?

Hult Prize is an international prize run by Hult Prize Foundation in Collaboration with Clinton Global Initiative (CGI). Every year students around the World compete at their schools and advance to the Finals in New York where the winners will be awarded with USD 1 Million and be mentored by international business leaders

What about “Hult Prize@ Hokkaido”?

Only two universities are selected from Japan in which one is Hokkaido University. This year Hokudai students have the great opportunity to compete in their campus and the winners will be sent to United States.
