Lunch Talk

Centennial Hall
(next to the main library)

Fabio P. Alves is General Manger of Costco Wholesale Japan, Sapporo Warehouse, an international retail chain. After Fabio started his Costco career as a stocker in 2002, he discovered that he loved the retail business, and was excited by the opportunities at this rapidly growing retailer. At Costco, he worked his way up to General Manager with direct responsibility for complete operation and profitability. Also responsible for Implementing Costco mission statement, policies, and procedures.
