

Progress of the HUCI and

Internationalization of Higher Education

Hokkaido Universal Campus Initiative (HUCI) has been carried out as a project of the Top Global University Project of MEXT since 2014. In this forum, we introduce and share the progress of each program after three years. Furthermore, we will discuss the future of internationalization of higher education with guest panelists in a panel discussion.

2018
3/5 (Mon.)
