

How To Launch

Transferable
Skills
Seminar

Your Own Business

Mr. Kazuaki Oda
Slogan, Inc.

Mr. Oda, graduate of Doctoral Course (Mathematics) of Nagoya University, started his career at former Andersen Consulting (Accenture, now) where he provided consultation services to Japanese major corporations. He has launched his own business and has been helping start-up companies from their infant stage. He currently is engaged with management of multiple corporations, inasmuch as being involved with mergers and acquisitions.
