

Position Open: Hokkaido University Institute for Chemical Reaction Design and Discovery

A proposal of Hokkaido University was selected as a new center project of the World Premier International Research Center Initiative (WPI) in October 2018, we established "Institute for Chemical Reaction Design and Discovery (ICReDD)" aiming at establishing an excellent research environment and the world's top level research.

We are inviting applications for the position of Postdoctoral Fellow (Rubinstein lab), Institute for Chemical Reaction Design and Discovery, Hokkaido University as follows.

The Institute for Chemical Reaction Design and Discovery constructs an international research environment which gathers world-leading researchers and establishes a research environment that integrates computational, information and experimental sciences, in order to establish a new academic field "Chemical Reaction Design and Discovery", to provide substantial knowledge on chemical reactions that efficiently develop chemical reactions and materials for the future necessity, and to sustainably cultivate human resources engaged in the field of "Chemical Reaction Design and Discovery".

1. Name of Recruiting Institution
National University Corporation Hokkaido University
2. Position
Postdoctoral Fellow
3. Employment Term
One year initial appointment
(Renewal of appointment may be offered until March 31, 2023.)
4. Department
Institute for Chemical Reaction Design and Discovery
5. Research Field
Polymer and soft matter
6. Qualifications
 - (1) PhD degree(s) at the time of appointment
 - (2) Outstanding achievements and publications in the research fields of polymer and/or soft matter physics, statistical mechanics and/or molecular dynamics simulations
 - (3) Excellent oral and written communication skills in English
7. Desired Starting Date
As early as possible after acceptance is notified (yet, still negotiable)
8. Probation Period
The probation period is one month.
9. Salary
The salary will be determined in accordance with the regulations of Hokkaido University.
