

Important points for writing attractive articles and how to avoid a desk rejection

Presenter:

Dr. Houman Goudarzi (Hokkaido University, Japan)

Date & time:

Jan. 15 (Mon.) 2024, 18:15 to 19:45 (LIVE)

Description: In this webinar, Dr. Goudarzi will share his experiences and opinions on practical tips for organizing data to deliver compelling messages in scientific papers. He will suggest improvements for precise writing and increase your chances of getting your work published in life and medical sciences. This webinar will also present the most common mistakes and errors in research articles, and tips for improving manuscript acceptance rates.

Bio: Dr. Goudarzi is a tenured faculty member at Hokkaido University with more than 15 years of experience in scientific writing. He is an editor and reviewer for several international scientific journals in life and medical sciences. He has authored about 70 peer-reviewed articles in international high-impact journals with more than 13,000 citations in the last seven years.

Registration is compulsory. For registration, please use the following link or scan the QR code. We will send you the Zoom link for the webinar. Application deadline: Jan. 12 (Fri.), 2024
