

1	Partner university name	Renmin University of China
2	Overview of the program	This program aims to provide graduate students in the doctoral course at the Hokkaido University with opportunities to receive supervision from faculty members who are conducting excellent research on Renmin University of China, thereby enabling them to produce a high-level doctoral thesis, and to develop human resources who will develop pedagogical research in China and Japan through research supervision by the two universities.
3	Master students or Ph.D. student	Doctral Course Students
4	Eligibility	Students participating in the program shall be selected by the Graduate School of Education, Hokkaido University and are assessed by Renmin University before a final admission decision is made.
5	Schedule	Students start between the first year or the first semester of the second year of the doctoral course and, in principle, receive at least one year of research supervision at Renmin university.
6	Acquirable degree	PhD, Hokkaido University. Annexed to the degree certificate: 'The research supervision required for the completion of the doctoral programme was carried out jointly with Renmin University of China'.
7	Cost	Students shall continue to pay tuition and other related fees to Hokkaido University. Renmin University will waive fees for entrance examination, matriculation and tuition for the students from the other university. Travel, accommodation and other expenses shall be borne by the students, but this shall not preclude an application for scholarships provided by independent institutions.
8	Contact	Educational affairs section, or Prof. Toshiro Yokoi, Graduate School of Education
