

1	Partner university	Kasetsart University, Agriculture at Kamphaeng Saen
2	Overview of the program	The Cotutelle students shall receive research supervision from both the home and host universities. If the conditions for graduation of Cotutelle student are met, a diploma is conferred only from the home university. The diploma will state that the research supervision was carried out in collaboration with the host university.
3	Master students or Ph.D. student	Doctoral course
4	Eligibility	Students who will participate in the Cotutelle will be selected initially by the home university. The university hosting such students (hereinafter referred to as a "host university") shall screen the selected students and make final admission decisions in each case. In principle, an application for Cotutelle shall be made by the deadline set by each university.
5	Schedule	The research supervision period at the host university shall be at least one year as a general rule (this can be cumulative). Meanwhile, it is desirable for the Cotutelle students to receive research supervision at their home university for at least half of the standard duration of study which is set by the university.
6	Acquirable degree	Doctor of Philosophy
7	Cost	The Cotutelle students only have to pay admission and tuition fees to their home university.
8	Contact	Academic Affairs, Graduate School of Agriculture kyomu@agr.hokudai.ac.jp
